Day I - Kampong Pluk Fishing Village

Kampong Pluk Fishing Village – you will be met and welcomed by our English speaking guide, picked up and transferred to Kampong Pluk, a cluster of three villages of stilted houses built within the floodplain about 16 km southeast of Siem Reap. The villages are primarily Khmer and have about 3000 inhabitants between them. Flooded mangrove forest surrounds the area and is home to a variety of wildlife including crab-eating macaques. During the dry season when the lake is low, the buildings in the villages seem to soar atop their 6-meter stilts exposed by the lack of water. At this time of year many of the villagers move out onto the lake and build temporary houses. In the wet season when water level rises, the villagers move back to their permanent houses on the floodplain, the stilts now hidden under the water. Kampong Pluk's economy is, as one might expect, based in fishing, primary in shrimp harvesting.

During the night of your stay in Siem Reap, you can enjoy Siem Reap nightlife, night markets, foods and other fun activities in Siem Reap downtown, Pub Street areas and city formerly French colonial head quarter.

Return and drop you off at your preferred destination.
