### **Day I - Banteay Srei and River of 1000 Lingam, Kbal Spean Mountain Waterfall**

Banteay Srei – in the morning, you will be met and welcomed by our English speaking guide, picked up and transferred onward to visit Banteay Srei, made of pink sandstone and is one of the smallest temple you can visit but one of the most beautiful as well. Built in 967 AD by a guru to Jayavarman V, it showcases the most exquisite, deep and complex carvings in all Khmer architectures. As well the carvings and bas-relief are in a perfect condition although being here for more than millenary.

River of 1000 Lingam, Kbal Spean mountain waterfall - continue to the original "River of a Thousand Lingas" Kbal Spean is and intricately carved riverbed deep in the foothills the Cambodian jungle. Lingas are phallic representations sacred to Hinduism as symbols of fertility, and hundreds of them are carved into the rock here, as are several carvings of Gods and animals above the small waterfall. The area was only rediscovered in 1969 when French researcher Jean Boulbet was shown the carvings by a local hermit.

Lunch at local restaurant (at your own costs)

During the night of your stay in Siem Reap, you can enjoy Siem Reap nightlife, night markets, foods and other fun activities in Siem Reap downtown, Pub Street areas and city formerly French colonial head quarter.

Return and drop off at your preferred destination.
